

# ECRC Field Development

## **Stage 1 – Target 2024**

- Extend the square by 2 or 3 grass tracks.
- Levelling to reduce the severity of the run ups at the Bury Road end.
- Drainage improvements around the new tracks and in problematic areas on the outfield.

## **Stage 2 – Target 2025**

- Create a junior square of 2 or 3 grass tracks on the outfield towards the farm.
- Create senior practice tracks towards the outfield towards the entrance.

## **Stage 3 – Target 2028**

- New drainage system for the whole ground.
- Install irrigation system around the square.
- Purchase new, heavier roller.
